What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach or exceed grade-level standards. Effective compacts:

- Link to goals of the school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality curriculum and instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

Communication about Student Learning

The Burnham Wood Family of Charter Schools is committed to frequent two-way communication with families about children's learning. Some of the ways parents and teachers communicate all year are:

- Newsletters every 6 weeks
- Ongoing Website
- Open Houses
- Parent Night (Reading)
- Parent /Teacher Conferences
- Parent Night (Math)
- Parent Night (STAAR)
- Ongoing Contact Logs
- Ongoing documents sent home with students
- Ongoing documents mailed/emailed home

Jointly Developed Plan

The parents, students, and staffs of Burnham Wood Family of Charter Schools meet twice a year to discuss student learning needs based on current grade-level data. Our School-Parent Compact for is revised based on these discussions. Teachers suggest home learning strategies, parents add ideas to make them more specific, and students identify ways to support their learning goals. Parents are welcome to contribute comments at any time.
