

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach or exceed grade-level standards.

Effective compacts:

- Link to goals of the school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality curriculum and instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom.

Communication about Student Learning

Vista del Futuro Charter School is committed to frequent two-way communication with families about children's learning. Some of the ways parents and teachers communicate all year are:

- Monthly Newsletters
- Ongoing Website Updates
- Open House in August
- Parent /Teacher Conferences in September and February
- STAARy Nights for Parents in January
- Ongoing Contact Logs
- Ongoing documents sent home with students
- Ongoing documents emailed home
- School Reach Communication platform

Vista del Futuro Charter School provides high quality curriculum and instruction in supportive and effective classroom environments to enable students to meet the challenging State academic standards. We support our students and work hard to provide a welcoming, safe school environment.

Jointly Developed Plan

The parents, students, and staff of Vista Del Futuro elementary school meet twice a year to discuss student learning needs based on current grade-level data. Our School-Parent Compact is revised based on these discussions. Teachers suggest home learning strategies, parents add ideas to make them more specific, and students identify ways to support their learning goals. Parents are welcome to contribute comments at any time.
